3. **DELIVERY:** Timely delivery in accordance with the Purchase Order is a material condition of the Procurement Conditions. Unless otherwise provided for on the Purchase Order, Deliverables will be delivered to BEAS ..... (INCOTERMS 2020). If the delivery times as set out in the Purchase Order cannot be met or at any time at BEAS' request, the Supplier will provide prompt information to BEAS as to the causes and the mitigation action it proposes to take.

#### 4. PRICES, INVOICES AND PAYMENT:

4.1. The price stated on a Purchase Order is inclusive of all duties, levies and taxes in the country of origin of the Deliverables excluding value added tax or equivalent tax.

4.2. Where the Procurement Conditions require the Supplier to submit an invoice, the Supplier will post invoices to BEAS' Accounts Payable at the address on the Purchase Order on the day on which Deliverables are despatched or completed. The invoice will include the Purchase Order number.

4.3. BEAS will electronically transfer payment to the Supplier on the first Friday 75 days after the date on which the relevant goods have been received or services completed, provided that the Supplier has supplied such goods or services in accordance with the Procurement Conditions and, where the Supplier is required to submit an invoice, such invoice is accurate and was received by BEAS' Accounts Payable Department within 7 days of despatch or completion of goods or services. If such Friday is not a normal banking day then electronic transfer of payment will be on the next banking day. Where BEAS collects goods from non-BEAS premises, "received" means formal receipt by BEAS' nominated courier or where the goods are delivered to BEAS' premises, "received" means formal receipt by BEAS' goods received area. Without prejudice to BEAS' other rights and remedies, BEAS may deduct from any payments due to the Supplier under any Procurement Condition the amount of any bona fide contra accounts or other claims that BEAS may have against the Supplier in connection with the Procurement Conditions or any other agreement.

**5. BEAS PROPERTY:** Any items held by the Supplier which BEAS has paid for in full or which BEAS may have loaned, bailed, consigned or supplied to the Supplier for the execution of a Purchase Order will be at the Supplier's risk until delivered to BEAS. The Supplier will be fully liable for any damage caused to such items whilst in its possession. The Supplier will retain such items in good condition during performance and after completion of a Purchase Order and will not dispose of such items except in accordance with BEAS' written instructions nor will such items be used other than for the purpose of such Purchase Order without BEAS' prior written consent. The Supplier will ensure that such items are at all times identified as the property of BEAS and do not become the subject of any encumbrance.

## **6. QUALITY, WARRANTY, COMPLIANCE AND CODES OF PRACTICE:**

6.1 To the extent applicable for the performance of a Purchase Order, Supplier will comply with all quality requirements of BEAS as set out on Bergen Engines web site at <https://www.bergenengines.com/about/suppliers/> and all specification requirements and any other quality requirements set out in a Purchase Order. The Supplier will inspect and release Deliverables in accordance with the said quality requirements.

6.2 The Supplier warrants that all Deliverables will conform to the Procurement Conditions and will be free from defects in material, workmanship and, if the Supplier has responsibility for design, the Supplier further warrants that all Deliverables will be free from defects in design. Without prejudice to BEAS' other rights and remedies the warranty period for Deliverables will expire at the earlier of 36 (thirty-six) months from delivery to BEAS or 24 (twenty-four) months from completion of commissioning of the BEAS product. Any Deliverables repaired or replaced in accordance with Clause 6.3 shall be warranted from the installation of such replaced or repaired Deliverables for the periods set out in this Clause 6.2.

6.3 If Deliverables do not conform to the requirements set out in Clause 6.1 above ("Non-Conformance") and without prejudice to BEAS' other rights and remedies which BEAS may have, the Supplier will promptly replace or, where appropriate, repair or rectify any such Non-Conformance at its own expense as a matter of urgency following receipt of written notice of Non-Conformance. If the Supplier fails to promptly repair, rectify or replace any Non-Conformance, BEAS may, without prejudice to its other rights and remedies, (a) choose to accept the Non-Conformance and BEAS will be entitled to reasonably adjust the Purchase Order price; or (b) rectify or arrange to have rectified such Non-Conformance; or (c) procure Deliverables from alternate sources in order to meet customer requirements; or (d) BEAS reserves its right to repair the defective part without delay where it affects continuance of manufacturing production.

6.4 The Supplier will ensure that it and its personnel will comply with all relevant BEAS requirements and codes of practice as follows: (a) BEAS' standard security and health and safety requirements as applicable; (b) Supplier Code of Conduct; and, (c) Notices to Supplier (NTS). These, and all related documents are found on the BEAS website at <https://www.bergenengines.com/about/suppliers/>. The Supplier agrees that BEAS or its designated agent will have the right to enter the Supplier's facilities at reasonable times to inspect the facility, Deliverables, materials and any property of BEAS. Such inspection will not constitute or imply acceptance of any Deliverables.

6.5 If a classification society approval is requested, the Supplier shall handle this on behalf of BEAS and will charge such cost to BEAS as a pass-through cost only, without any uplift or margin of any kind. If (a) more than one classification society is requested; or, (b) a change of the classification society during the manufacturing period is requested, the Supplier will attempt to organize this without extra cost. Where the Supplier believes it is impossible to accommodate 6.5(a) or 6.5(b) without extra cost to BEAS, the Supplier must provide a full breakdown of the costs of accommodating 6.5(a) or 6.5(b) and must, if requested by BEAS, substantiate such costs through quotations, invoices, or other documentation.

6.6 The Supplier shall at all times observe and act in compliance with all applicable laws, including EU/EC Community law and all national and international, governmental, regional, local, customary law or other statutes, directives, regulations, treaties or conventions as well as any additional protocols, and all industry standards, including upholding a standard of due care which may reasonably be expected of an experienced Supplier in a similar line of business.

6.7 In addition to BEAS's other rights and remedies, in case of any Incidents as described below, BEAS shall be entitled to the payments as set out in the table below to compensate for additional administration cost to ensure quality control compliance, and for clarity this cost excludes repair and/or replacement cost:

Where BEAS gives written authorisation to use or release a Deliverable that does not conform to the specified requirements (Concession).	EUR 200.00

## **7. TERMINATION:**

7.1. Without prejudice to any rights and remedies, BEAS may immediately terminate a Purchase Order in whole or in part by giving the Supplier written notice, identified as a "Notice of Termination", whereupon all work on that Purchase Order will cease. BEAS will pay the Supplier in full and final satisfaction of all claims arising out of such termination: the price of all Deliverables which the Supplier has justifiably produced and

completed in accordance with such terminated Purchase Order or part of the Purchase Order and which BEAS has not paid for; the cost of settling any legally justified claims in connection with the necessary termination of sub contracts justifiably entered into in respect of the terminated Purchase Order or part thereof and the cost to the Supplier of any justified work in progress in respect of such Purchase Order.

7.2. The amount payable to the Supplier under Clause 7.1 above will not exceed the total amount that would have been payable to the Supplier for the Deliverables and payment is subject to the Supplier submitting its notice of claim within 2 calendar months of the termination date. Any finished Deliverables and any work in progress paid for by BEAS under Clause 7.1 above will be delivered to BEAS or be held by the Supplier as BEAS property in accordance with Clause 5 above.

7.3. If BEAS has reasonable grounds for believing the Supplier will be unable to substantially fulfil its obligations under the Procurement Conditions, BEAS may require the Supplier to provide reasonable written evidence that the Supplier will fulfil its obligations. If the Supplier fails to provide such evidence within 30 days of BEAS' request, BEAS may treat that failure as a material breach and terminate the relevant Purchase Order or any agreement relating to the Deliverables in whole or part without any liability. For the avoidance of doubt, the material breaches of the Supplier herein shall include but not be limited to the circumstances as stipulated in Clause 6, Clause 9 and Clause 24 of this GCP.

7.4. Either Party has the right, without prejudice to its other rights and remedies, to terminate any Purchase Order or the Supply Agreement without liability, if the other Party commits any material breach of any of its obligations under the Procurement Conditions which it fails to rectify within 30 days of written notice of that breach (no notice period will apply for a breach of delivery terms) or makes a general arrangement with its creditors; or ceases or threatens to cease to carry on its business or a substantial part of it or is unable to pay its debts within the meaning of the applicable law as defined below; enters into liquidation whether compulsory or voluntary, except as a solvent company for the purposes of amalgamation or reconstruction; or has an administrator or administrative receiver of the whole or part of its assets appointed.

"Background IP" means IP brought by either Party for use under a Purchase Order which is owned by or licensed to a Party before the date of issue of the Purchase Order, or later developed or otherwise acquired by a Party other than through participation in the Purchase Order.

8.2. Nothing in the Procurement Conditions shall transfer ownership of Background IP from or to any Party. No rights or licences in IP are granted save as expressly set out in the Procurement Conditions.

8.3. Subject to the Supplier's compliance with the Procurement Conditions, BEAS grants to the Supplier for the period of time needed to fulfil the Purchase Order, a non-exclusive, non-transferable, royalty-free, personal license to use BEAS' IP to the extent necessary for fulfilling Supplier's obligations under the Procurement Conditions. The Supplier may not sub-licence this licence without the express consent of BEAS in signed writing. The Supplier hereby grants to BEAS the worldwide, perpetual, irrevocable, paid-up, sub-licensable right to use the Supplier's IP (a) to fulfil its obligations under the Procurement Conditions; and (b) to use and benefit from any IP owned by BEAS in accordance with the Procurement Conditions for any purpose whatsoever.

8.4. All Foreground IP will immediately on creation, be owned solely and absolutely by BEAS and will be kept confidential by the Supplier whilst in the Supplier's or its sub-contractors' possession and control. To the extent permitted by law, the Supplier will hold in trust for the exclusive benefit of BEAS any and all BEAS owned Foreground IP until the assignment referred to in this Clause for the assignment of such BEAS owned Foreground IP to BEAS is fulfilled. The Supplier will furthermore assist and co-operate, and procure the assistance and co-operation of its personnel with BEAS in filing and presenting patent applications in relation to any invention conceived or made by it, its Affiliates, sub-contractors or agents in respect of the Deliverables during and after the provision of the Deliverables and will do, and procure the doing of, all such acts and things (including the waiver of moral rights by its employees) as BEAS deems necessary in connection with such assistance.

8.5. If any allegation is made or any claim asserted against BEAS, or any person claiming title from or through BEAS, that any act done or proposed to be done in relation to Deliverables constitutes a violation or infringement of any patent, copyright, registered design or other proprietary right held by a third party, the Supplier will indemnify BEAS and hold BEAS harmless for and against any loss or damage (including, without limitation, all costs and expenses) arising directly or indirectly out of such allegation or claim howsoever caused unless the allegation or claim is the direct result of the Supplier following a design or process required by BEAS.

8.6. In addition to the indemnity set out in Clause 8.5 the Supplier will procure for BEAS a worldwide, non-exclusive, royalty-free, irrevocable license to manufacture, use and sell the Deliverables or have such replaced with substantially equivalent non-infringing Deliverables.

9.1. "Proprietary Information" means all commercial, financial, technical or operational information, and any intellectual property not publicly known or available, which by its nature is confidential, and such information that has been or may be disclosed or otherwise made available in whole or in part to a receiving Party or any representative in any form or medium. The Supplier will indemnify and hold BEAS harmless in the event of any breach of such provisions by any such third parties. Furthermore, the Supplier will notify BEAS immediately on becoming aware of a breach or a potential breach and will inform BEAS of what actions it is taking to prevent or remedy such breach or potential breach to ensure risks to BEAS are mitigated. 15. **WAIVER AND REMEDY:** The rights of a Party may be exercised as often as it considers appropriate, are cumulative and apply in addition to its rights under the general law and may only be waived, specifically and in writing. Not exercising or a delay in exercising a right is not a waiver of that right.

16. **CONFLICT:** If there is a conflict of terms the order of precedence will be: (1) any mandatory legislation; (2) the statement of work; (3) terms appearing on the front of a Purchase Order other than mandatory legislation; (4) the Supply Agreement; and (5) the GCP.

17. **TRANSFER AND THIRD-PARTY RIGHTS:** No Party will assign or otherwise transfer any of its rights or obligations. Nothing in the Procurement Conditions will be construed as creating any rights in respect of any third parties (including, without limitation, any employee, officer, agent, representative or sub-contractor of any Party) under, as a result of, or in connection with the Procurement Conditions.

18. **NOTICES:** All non-legal notices to be served under any Purchase Order must be in writing and addressed to the Party at the address on the Purchase Order. Such notices may be delivered by hand or recorded delivery or a delivery courier. Service of legal notices will comply with the relevant provisions in Clause 27.

The Parties agree that they will have no right or remedy in respect of any Representations (whether made negligently or innocently), except those expressly incorporated in the Procurement Conditions. Nothing in this clause 21 will limit or exclude any liability for fraud.

22. **SURVIVAL:** The provisions of clauses 5 - 9, 11, 12 and 14 - 27 will survive any expiry or earlier termination or after the Purchase Order becomes impossible of performance or is otherwise frustrated.

23. **FORCE MAJEURE:** Any delay or failure of either party to perform its obligations hereunder will be excused if, and to the extent that it is caused by an event or occurrence not reasonably foreseeable and beyond the reasonable control of the party and without its fault or negligence, such as, by way of example and not by way of limitation, acts of God, actions by any governmental authority (whether valid or invalid), fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, inability to obtain power, material, labour, equipment or transportation, or court injunction or order; provided that written notice of such delay (including the anticipated duration of the delay) will be given by the affected party or the other party as soon as possible but in any event not later than 5 days. During the period of such delay or failure to perform by Supplier and after prompt notice from Supplier to BEAS of the occurrence of such an event, BEAS, at its option, may purchase Deliverables from other sources and reduce its requirement to Supplier by such quantities, without liability to Supplier, or have Supplier provide the Deliverables from other sources in quantities and at times requested by BEAS and at the price set forth in the Purchase Order. If requested by the BEAS, Supplier will, within 10 days of such request, provide adequate assurances that the delay will not exceed 30 days. If the delay lasts more than 30 days, BEAS may immediately cancel a Purchase Order without liability. The Supplier will in any event, make all reasonable endeavours to mitigate the effects of any delay. For the avoidance of doubt, strikes, lockouts or other industrial action or disputes specific to the Supplier and/or its subcontractors or agents shall not be considered a force majeure event.

24 **HS&E & Statutory legislation/requirements** (REACH, RoHS, Conflict Materials, IHMEU SRR, Asbestos, etc):

In line with clause 6.6, the BEAS policy is to strictly apply legislative requirements across its supply chain. Where regulations vary between countries and regions, we will apply the most stringent, to ensure global compliance. BEAS takes responsibilities for Health, Safety and the Environment (HSE) extremely seriously, and this applies equally to our partner/suppliers as well as our own facilities. For this reason, we wish to ensure compliance to all relevant HSE and other applicable statutory legislations.

24.1 Supplier warrants that where it sells, supplies or transfers Deliverables to BEAS in Europe, and Regulation (EC) No. 1907/2006 of the European Parliament concerning the registration, evaluation, authorisation and restriction of chemicals ("REACH") applies, it has complied with REACH and that each chemical substance constituting or contained in or used in the manufacture of Deliverables sold, supplied or transferred to BEAS is, where required, registered; registered for BEAS particular use; supplied with a safety data sheet compliant with REACH; is not restricted under Annex XVII of REACH; and if it appears on Annex XIV of REACH is authorised for BEAS use.

24.2 Whether or not REACH applies, Supplier will immediately notify BEAS if any Deliverables sold, supplied or transferred to BEAS contain a substance listed on the Candidate List of Substances of Very High Concern for Authorisation ("the Candidate List") published by the European Chemicals Agency. Supplier will give BEAS the name of the chemical substance and any information required by BEAS to allow safe use of the Deliverables or to fulfil its own obligations under REACH. This clause 24.2 applies whether the sale, supply or transfer of Deliverables to BEAS is inside or outside Europe.

24.3 Whether or not REACH applies to any Deliverables sold, supplied or transferred to BEAS, on request by BEAS, Supplier will provide all information required by BEAS which will enable BEAS to comply with its duty to communicate information on substances in articles as required by Article 33 of REACH, including but not limited to chemical composition, test data, hazard information and safety data sheets. This clause 24.3 applies whether the sale, supply or transfer of Deliverables to BEAS is inside or outside Europe.

24.4 Supplier will comply with any other request for information by BEAS which is required to enable BEAS to comply with its obligations under REACH. All information supplied to BEAS under clauses 24.1 to 24.4 will comply with REACH and any other requirements of BEAS expressly notified to the Supplier by BEAS. This clause 24.4 applies whether the sale, supply or transfer of Deliverables to BEAS is inside or outside Europe.

24.5 Clause 6.3 will apply if Deliverables do not conform to the requirements set out in Clause 24. Supplier will indemnify BEAS against any and all damages, losses, costs, actions, claims, liabilities or expenses suffered or incurred by BEAS whether in contract, tort (including negligence) breach of statutory duty or otherwise, arising out of or in connection with any breach by the Supplier relating to clauses 24.1 to 24.5.

24.6 Supplier acknowledges that the manufacture, sale, supply or transfer of Deliverables may be subject to other environmental legislation, regulations and conventions (together the "Environmental Requirements"), including, but is not limited to, compliance with the following: (a) Directive 2011/65/EU of the European Parliament and the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS); (b) Appendices 1 and 2 of Hong Kong International Convention for the Safe and Environmentally Sound Recycling of Ships, 2009; (c) Annex I & II of the Regulation (EU) No. 1257/2013 of the European Parliament and of the Council of 20 November 2013 on Ship Recycling (EU SRR) (note that (b) and (c) are also described as the Inventory of Hazardous Materials (IHM)); (d) the International Convention for the Safety of Life at Sea (SOLAS), specifically the provisions relating to asbestos; (e) the US Wall Street Reform and Consumer Protection Act of 2010, also known as the Dodd-Frank Act; (f) meet international responsible sourcing standards, set by the Organisation for Economic Co-operation and Development (OECD). EU importers of 3TG (tin, tungsten, tantalum and gold) need, from 1 January 2021, i.e. be in line with 'Due Diligence Guidance for Responsible Supply Chains from Conflict-Affected and High-Risk Areas' (OECD Guidance) (Conflict materials); (g) and, (h) any updates, amendments or replacements of (a)-(h) from time to time.

24.7 Supplier shall comply with all applicable Environmental Requirements. The Supplier will, for each declarable chemical, material or substance (as defined by the relevant Environmental Requirement), notify BEAS and provide BEAS with a Material Declaration (MD) compliant with the relevant Environmental Requirement.
